For the last few weeks, we've been talking about influence. Last week, we talked about how when you are faithful in the small things, faithful in your word and faithful to focus and finish, you create influence in your life.

1. What did God reveal to you about faithfulness this past week?
2. What steps did you take to grow in your faithfulness in the small things, in your word and your focus to finish?

This week, Pastor Kevin talked about habitual generosity and what that looks like in our lives.

A habitually generous person is spontaneously motivated to give, understands how to give and gives the right amount at the right time.

3. Do you have anyone in your life that is habitually generous? What kinds of ways do they show generosity?

When you are habitually generous you don't hoard, count, protect or compare what you have. You trust that everything is going to be okay. You know that God is the giver of all things and He will give us what we need.

4. How has God provided for you and given you what you need?

God will give you what you need, you just need to trust in Him. He is not after your money, He is after your heart. He wants you to completely trust in Him.

Read Matthew 6:21

The way we spend our money and our resources is tied to our hearts. If we are worried about what we don't have and where we are lacking, we can't be habitually generous.

5. Do you have a habit of being generous? If not, what keeps you from being habitually generous?

6. What practices can you put in your life to become a more generous person?

God is the most generous person as He gave His one and only Son to us. He cares for the one. You see in scripture where Jesus talks about leaving the 99 to look for the one (Luke 15:4).

As a church, our mission is to help people find and follow Jesus and that happens one person at a time. Just as God cares for the one, we care for the one. Pastor Kevin shared the vision for what caring for the one looks like over the next few years at Cross Point called, For the One.

7. How can you care for the one?

PRAYER

God, thank you for being generous with us so we can be generous with others. Reveal to us where you would have us be a part of For the One and what you would have us do to help people find and follow Jesus.

ACTION STEP

This week, pray about where God would have you play a part in For the One. Continue to ask Him where you can be generous in your life.
